

A close-up photograph of an elderly woman with short, curly white hair and light-colored eyes. She is looking directly at the camera with a neutral expression. Her mouth is open, and a long, thin, vertical, light-colored object, possibly a piece of wood or a prop, is inserted into her mouth, extending from her upper lip down to her lower lip. The object has a slightly textured surface and a dark red or brown vertical stripe running down its center. The background is dark and out of focus, suggesting an indoor setting.
